

To Whom It May Concern:

WD Graves, Inc. has been in business since 2002, and during that time we have been blessed with a good deal of work. Often that work has required the use of a good landscaper, and we have relied on Doyle's Lawn and Landscaping to take care of those needs. Their response has always been prompt, and i can say with confidence that we have found no subcontractor in any trade to be more honest, fair, and hardworking than the people at Doyle's, from Frank Doyle at the top right down to the last man on his mowing crew. We have enjoyed our relationship with this company, and I look forward to many more years doing business together.

Sincerely,
